

## How to Make a Lavender Potpourri Satche

- 1) Lay the nylon fabric square in front of you
- 2) Take a small spoonful of the dried lavender and lay it on the fabric square
- 3) Pull the sides of the fabric up, and tie the ribbon around it so that no lavender can spill out
- 4) Make sure to DOUBLE KNOT your ribbon
- 5) Hang or place the satche somewhere in your home and ENJOY the beautiful smell of lavender
