

2009 Timeline for Invention Convention/ Science Fair

Date (by this date)	Science Fair	Invention Convention
Right Now!	Choose topic & research	Choose topic & complete "Intent to Invent"
March 20 th	Hand in Science Fair Entry Form Complete Research Select Experiment List materials needed	Hand in Intent to Invent Form (very important) List materials needed
March 25 th	Gather materials needed Try Experiment Problem Solve Try Again Take notes! (photos & sketches)	Gather materials needed Try invention Problem Solve Try Again Take accurate notes! (photos & sketches)
March 30 th	Begin Display Board (hand in a list of any special needs for your display... like extension cord, wall space, etc.)	Begin Display Board (hand in a list of any special needs for your display... like extension cord, wall space, etc.)
April 1 st	Project completed Display Board completed Final touches	Project completed Display Board completed Final touches
April 6th	Bring to school completed project and display	Bring to school completed project and display
April 7th	Science Fair Projects go home in the evening at the end of the event.	Invention Convention Projects go home in the evening at the end of the event.

Dear Inventor / Scientist,

This is a suggested timeline to help you get your project completed on time. If you follow the guidelines on this chart, you will be finished with your project in plenty of time to relax and add final touches before the Invention Convention/ Science Fair on April 7th. We're expecting great things!

- Ms. Barrow
