

From the Director

Welcome

Skate Park To Open Soon

The new Mansfield Skate Park will be opening soon. Look for details on our website or contact the Mansfield Community Center. Phase 1 has been installed thanks to town support and contributions from local businesses and residents. If you'd like to contribute to the next phase of skate park equipment, please give us a call.

Be sure to mark your calendars for Celebrate Mansfield weekend, this year on Sept. 12 and 13. This event, which includes the Know Your Towns Fair organized by the Mansfield League of Women Voters and hosted by the the Mansfield Community Center on Saturday and the Festival on the Green the next day. See the special events section inside for more details.

The Community Center will celebrate its sixth anniversary on November 1st and there will be member appreciation events and give-a-ways all week.

The Center will be closed August 17-23 for our annual maintenance "shutdown." During this time we will be cleaning, painting, repairing, and having detailed maintenance done on fitness equipment and pools. There will also be a thorough safety inspection of the entire facility. A "new" Center, including some new and improved fitness equipment will open on Monday, August 24 at 5:30 a.m.

When school starts so does our After School Friends program for students in grades K-5. Children can come on the bus from school. See details inside this brochure.

This brochure is filled with fun, exciting and healthy programs and classes. There is something for everyone. Don't wait too long to register, or you might miss out. Enjoy the fall season and the many available Parks and Recreation programs.

Sincerely,
Curt A. Vincente
Curt A. Vincente, CPRP
Director of Parks & Recreation
